GTE NOMINATIONS

GTE NOMINATION FOR LEGAL COMMITTEE

Committee Name: LEGAL COMMITTEE
Membership nomination:
Name: David Gudino
Company Affiliation: GTE Telephone Operations
Address: 600 Hidden Ridge HQE03F05
Irving Texas 75015-2092
Telephone Number: 972 718 5128
Facsimile Number: 972 718 6372
E-mail address: david.gudino@telops.gte.com

Description of experience and skills to match needs of committee.

David Gudino is GTE legal counsel who reviews and files all numbering related pleadings with the FCC. David has been involved in the legal issues relating to NANP Administration and with Local Number Portability for GTE Service Corporation.

He is familiar with the legal issues on these subjects and can provide legal advice on contract law, the establishment of limited liability corporations, and other issues which may be considered by NANC subcommittees. Therefore, David Gudino is nominated by GTE to provide the NANC Committee legal expertise on matters being addressed in the various NANC work groups and task forces.

GTE NOMINATION FOR NANPA WORKING GROUP

Committee Name: NANPA WORKING GROUP
Co - Chair nomination or membership nomination:
Name: : Norman Epstein
Company Affiliation: GTE Telephone Operations
Address: 700 Hidden Ridge HQW02J80
Irving Texas 75015-2092
Telephone Number: 972 718 6297
Facsimile Number: 972 718 4393
E-mail address: norman.epstein@telops.gte.com

Description of experience and skills to match needs of committee.

Norman Epstein has over 25 years experience in Telecommunications engineering and planning. He was the designated GTE participant in FNF, a key GTE representative at INC, and has participated as co-chair of INC Workshops (e.g., PCS numbering). He is currently co-chair of NANP Expansion WS, chair of USTA Numbering Planning SC, and an active participant in State Department SG A and ITU-T Study Group 2. His specific involvement in numbering spans over 10 years. In addition, he has experience in Industry Standards for over 10 years, where he has served as GTE lead representative to T1Y1, T1A1, T1P1, EIA and others.

Given Norman's experience related to and familiarity with the technical and operation and workings of the telecommunications network, his experience as chair and co-chair of industry groups described above, experience directly related to the NANPA Working Group tasks as described in the FCC Public Notice DA 96 - 1664, GTE nominates Norman Epstein as a Co-chair, or alternatively, as a regular member of this working group.

GTE NOMINATION FOR NANPA COST RECOVERY TASK FORCE

Committee Name: COST RECOVERY FOR NANPA - TASK FORCE
Membership nomination:
Name: Lawrence Little
Company Affiliation: GTE Telephone Operations
Address: 600 Hidden Ridge HQE01J28
Irving Texas 75015-2092
Telephone Number: 972 718 3384
Facsimile Number: 972 718 6392
E-mail address: lawrence.little@telops.gte.com

Description of experience and skills to match needs of committee.

Larry Little is currently a Staff Manager in GTE's Regulatory Planning & Policy department. In this position he develops and supports policy positions with respect to numbering issues. His previous position as Staff Manager - Special Access Rates, 1988-1990, included the responsibility to identify cost drivers, develop appropriate cost-based rates, and support those rates under FCC and intervenor scrutiny. Larry's experience includes 10 years in operations and 11 years of performing division of revenue and capital recovery cost studies, culminating in performing rate-case cost support, and serving as witness on cost-of service matters.

Given his familiarity with the pricing mechanisms in the telecommunications industry, including a background in and knowledge of economics and accounting, experience directly related to the NANPA Cost Recovery Task Force as described in the FCC Public Notice DA 96 - 1664, GTE nominates Larry Little to serve as a regular member of this task force.

**NOMINATION FROM GTE FOR TASK FORCE ON
TRANSITION PLANNING FROM BELLCORE**

Committee Name: TRANSITION PLANNING FROM BELLCORE - TASK FORCE
Membership nomination:
Name: Richard E. Round
Company Affiliation: GTE Telephone Operations
Address: 600 Hidden Ridge HQE02M40
Irving Texas 75015-2092
Telephone Number: 972 718 2496
Facsimile Number: 972 718 4392
E-mail address: richard.round@telops.gte.com

Description of experience and skills to match needs of committee.

Richard Round has 25 years experience in the telecommunications industry. He has been GTE's Lead Representative in the Network Operations Forum (NOF) and the Industry Carriers Compatibility Forum (ICCF) since 1991. Richard has been GTE's Lead Representative to the Industry Numbering Committee since its formation in 1992.

Richard has co-chaired the following INC Workshops:

Telecommunications Relay Service (TRS)

NPA Code Relief Planning

International Freephone Service

These activities have given Richard a familiarity with the present NANPA operations and responsibilities.

Given his specific familiarity with the present NANPA operations and responsibilities and the above experience directly related to the NANPA Transition Planning from Bellcore Task Force as described in the FCC Public Notice DA 96 - 1664, GTE nominates Richard Round to serve as a regular member of this task force.

GTE NOMINATION FOR CO CODE TRANSITION TASK FORCE

Committee Name: CO CODE TRANSITION - TASK FORCE
Membership nomination:
Name John Rollins:
Company Affiliation: GTE Telephone Operations
Address: 700 Hidden Ridge HQW03D06
Irving, Texas 75015-2092
Telephone Number: 972 718 7532
Facsimile Number: 972 718 4389
E-mail address: john.rollins@telops.gte.com
Description of experience and skills to match needs of committee.

John Rollins is Staff Manager in the Network Planning department in this position he is directly responsible for the coordination of GTE's CO Code administration responsibilities for NPAs 813 (Tampa, FL) and 808 (Hawaii). In this capacity he has responsibility for management of GTE's numbering administration policies and procedures, NPA relief planning and execution.

In addition, John has served as chair of the Bellcore Advanced Voice Services User Group since 1994, and has represented GTE on the USTA Network Planning Subcommittee, and on the Washington, California, Florida, and Texas Local Number Portability Task forces.

Given his specific knowledge of the operations of GTE's CO code administrators, knowledge in forecasting area code exhaust and planning for area code relief, knowledge of existing industry wide databases, and the above experience directly related to the CO Code Transition Task Force as described in the FCC Public Notice DA 96 - 1664, GTE nominates John Rollins to serve as a regular member of this task force.

GTE NOMINATION FOR LNPA SELECTION WORKING GROUP

Committee Name: LNPA SELECTION - WORKING GROUP
Membership nomination:
Name: Bob Angevine
Company Affiliation: GTE Telephone Operations
Address: 700 Hidden Ridge HQW03B16
Irving, Texas 75015 - 2092
Telephone Number: 972 718 3606
Facsimile Number: 972 718 4389
E-mail address: bob.angevine@telops.gte.com

Description of experience and skills to match needs of committee.

Bob Angevine represents GTE as a full-time member of the LNP SMS sub-committees in California, Florida/Georgia, Washington/Colorado, Texas and Illinois. He also represents GTE as a member of the LNP Operations subcommittees in California, Florida and Illinois. Bob has more than four years experience in defining AIN SMS and operations support requirements.

In addition, Bob has experience in industry fora, having represented GTE on ANSI T1M1.5 and T1X1.5 sub-working groups, and acting as editor of the ANSI Data Communications Channel (DCC) standards.

Given his specific experience with state based efforts in local number portability, and knowledge of operations of existing industry wide databases, and the above experience directly related to the LNPA Selection Working Group as described in the FCC Public Notice DA 96 - 1664, GTE nominates Bob Angevine to serve as a regular member of this working group.

GTE NOMINATION FOR TASK FORCE ON LNPA ARCHITECTURE

Committee Name: LNPA ARCHITECTURE - TASK FORCE
Membership nomination:
Name: David Wang
Company Affiliation: GTE Telephone Operations
Address: 700 Hidden Ridge HQW02H25
Irving, Texas 75015-2092
Telephone Number: 972 718 6417
Facsimile Number: 972 718 6398
E-mail address: david.wang@telops.gte.com

Description of experience and skills to match needs of committee.

David Wang has represented GTE in LNP task forces in Illinois and California, and with support for GTE LNP representatives in Florida, Washington, and other states. He has also been a major contributor to development of GTE's positions and documents submitted to INC and other industry fora. His current position is Architecture Scientist in the Enterprise Systems Design department.

Given his specific experience with state-based efforts in LNP, and knowledge of operations of existing industry-wide databases, and the above experience directly related to the LNPA Architecture Task Force as described in the FCC Public Notice DA 96-1664, GTE nominates David Wang to serve as a regular member of this task force.

GTE NOMINATION FOR TASK FORCE ON LNPA TECHNICAL AND OPERATIONAL REQUIREMENTS

Committee Name: LNPA TECHNICAL AND REQUIREMENTS - TASK FORCE

Membership nomination:

Name: Charles Richoz
Company Affiliation: GTE Telephone Operations
Address: 700 Hidden Ridge HQW02146
Irving, Texas 75015 - 2092
Telephone Number: 972 718 7102
Facsimile Number: 972 718 6398
E-mail address: charles.richoz@telops.gte.com

Description of experience and skills to match needs of committee.

Chuck Richoz has 25 years of direct experience in engineering, construction, product development, network operations, and technical planning. He is currently Manager - Architecture Planning in the Technical Business Planning department. In this position, he uses his experience analyzing and developing major operations issues, network architectures and transition plans for major projects such as Coin 1+, CIC expansion (Phase 1 and 2) and LNP.

Charles has provided extensive support and analyses of numbering issues in support of GTE's efforts in state-based LNP task forces, and has represented GTE in the California LNP task force meetings.

Given his specific knowledge of technical and operational expertise with regard to number portability mechanisms, experience with state-based efforts in LNP, and knowledge of operations of existing industry-wide databases, and the above experience directly related to the LNPA Technical and Operational Requirements Task Force as described in the FCC Public Notice DA 96 - 1664, GTE nominates Charles Richoz to serve as a regular member of this task force.

GTE NOMINATION FOR DISPUTE RESOLUTION TASK FORCE

Committee Name: DISPUTE RESOLUTION TASK FORCE
Membership nomination:
Name: Edward C. Beauvais
Company Affiliation: GTE Telephone Operations
Address: 600 Hidden Ridge HQE01G9AW02
Irving, Texas 75015 - 2092
Telephone Number: 972 718 5464
Facsimile Number: 972 718 6392
E-mail address: edward.beauvais@telops.gte.com

Description of experience and skills to match needs of committee.

Ed Beauvais, Senior Economist, GTE Telephone Operations, joined GTE in 1976, working since that time in both research and managerial positions in several GTE companies. Current research and responsibilities involve pricing and costing of evolving telecommunication networks and evaluation of welfare, allocative, and distributive effects of alternative pricing systems; Evaluation of alternative regulatory regimes for public utility services; Demand and cost analysis of telecommunications services; Experimental design of peak load pricing experiments; Evaluation of competition in telecommunications markets.

Prior to joining GTE, his research efforts were concentrated in the economics of electric utility operations. He was employed by the Virginia Electric and Power Company as a Rate Economist and later as a consultant to the Virginia State Corporation Commission to develop sales and load forecasting methodologies for the major electric utilities in Virginia. He has also served as a Professor of Economics at the University of Alabama and at the University of Connecticut. He is currently a member of the visiting faculty at the University of Kansas.

He received his Ph.D. in Economics from the Center for the Study of Public Choice at the Virginia Polytechnic Institute and State University. He has appeared before numerous regulatory and legislative bodies at both the state and federal levels, testifying in matters of costing, pricing, demand analysis, competition (including numbering plans and costs) and public policy.

He has published numerous articles on the topics of public finance, public choice, economic regulation, and on the application of economics to both electric and telephone utilities.

GTE nominates Ed Beauvais to serve as a regular member of the Dispute Resolution Task Force given his wide experience and background.
